Temporary Electrics – Permanent Commitment®

Balfour Beatty

"Multitech have been outstanding on the Abbey Wood Station project. The electricians are pro-active, helpful and nothing is too much trouble. The quality of the equipment and installations are the best I've ever seen. Can't fault them. Will be using them again and recommend that anyone requiring temporary site services contacts Multitech – I don't reckon you'll find better." **Simon Hibbert** Senior Site Manager, Balfour Beatty
